ARRANGEMENT REGARDING INTERNATIONAL TRADE IN COTTON TEXTILES

Bilateral Agreement between the United States and Poland

Addendum

Attached is the text of the notes exchanged between the Government of the United States and the Government of Poland effecting an agreement concerning trade in cotton textiles between the two countries. The agreement essentially continues the provisions of the 1967/70 bilateral agreement (COT/91) and adds certain new features.

The text of the diplomatic notes constituting the new agreement has been transmitted to the Director-General by the United States mission for notification to the Cotton Textiles Committee.
Note No. 1

Excellency,

I have the honour to refer to the cotton textile agreement between our two Governments effected by an exchange of notes dated 15 March 1967 and to recent discussions in Washington between representatives of our two Governments concerning exports of cotton textiles from Poland to the United States.

As a result of these discussions, I have the honour to propose that the above-mentioned agreement be amended as provided in the following paragraphs:

A. Paragraphs 1 through 4 are amended to read as follows:

"1. The term of this agreement shall be from 1 March 1970 through 28 February 1975. "2. For the first agreement year, constituting the twelve-month period beginning 1 March 1970, the aggregate limit shall be 6.4 million square yards equivalent.

"3. Within the aggregate limit, the following group limits shall apply for the first agreement year:

B. The third sentence of paragraph 6 is amended to read as follows:

C. Paragraph 11 is amended to read as follows:

"11. The Government of the United States of America and the Government of the Polish People's Republic agree to consult on any question arising in the implementation of the agreement. At the request of either Government, a review of the agreement, confined to consideration of possible adjustments of limits in specific categories, will be held during the third year of the agreement."

D. Paragraph 17 is added to read as follows:

"17. (a) For any agreement year immediately following a year of shortfall (i.e., a year in which cotton textile exports under this agreement from the Polish People's Republic to the United States were below the aggregate limit and any group or specific limit applicable to the category concerned) the Government of the Polish People's Republic may permit exports to exceed limits in this agreement by carryover in the following amounts and manner:

(i) the carryover shall not exceed the amount of the shortfall in either the aggregate limit or any applicable group or specific limit and shall not exceed 5 per cent of the aggregate limit or 5 per cent of the applicable group limit in the year of the shortfall;"
(ii) in the case of shortfalls in the categories subject to specific limits, the carryover shall not exceed 5 per cent of the specific limit in the year of the shortfall and shall be used in the same category in which the shortfall occurred; and

(iii) in the case of shortfalls not attributable to categories subject to specific limits, the carryover shall not be used to exceed any applicable specific limit except in accordance with the provisions of paragraph 5 and shall be subject to the provisions of paragraph 6.

(b) The limits referred to in sub-paragraph (a) of this paragraph are without any adjustments under this paragraph or paragraph 5.

(c) The carryover shall be in addition to the exports permitted by paragraph 5."

If this proposal is acceptable to the Government of the Polish People's Republic, I have the honour to propose that this note and your note of acceptance on behalf of the Government of the Polish People's Republic shall constitute an agreement between our Governments which will enter into force 1 March 1970.

Accept, Excellency, the renewed assurances of my highest consideration.
