Page 18 - continuation of paragraph 75: the sentence starting on the ninth line and the following sentence should read:

"As he had already pointed out the Long-Term Arrangement had not led in practice to a substantial and orderly growth in the cotton textile exports of less-developed countries and the adjustments which were taking place in the cotton textile industry were likely to restrict further the opportunities of the less-developed countries. He reiterated the conclusion he had reached earlier that the Long-Term Arrangement was therefore not necessary."

COMITÉ DES TEXTILES DE COTON
Rapport sur la réunion que le Comité a tenue au Palais des Nations du 6 au 10 décembre 1965

Corrigendum

Paragraphe 75 - page 21: la phrase commençant à la dix-huitième ligne et celle qui la suit doivent se lire:

"Comme il l'a déjà souligné, l'Accord à long terme n'a pas donné lieu, dans la pratique, à une croissance substantielle et ordonnée des exportations de textiles de coton des pays peu développés, et les ajustements qui s'opèrent dans l'industrie des textiles de coton sont de nature à limiter davantage encore les possibilités qui s'offrent aux pays peu développés. Il a réitéré la conclusion à laquelle il était précédemment arrivé, à savoir que l'Accord à long terme n'est donc pas nécessaire."

1. Article 8(c) of the Long-Term Arrangement requires the Cotton Textiles Committee to review the operation of the Arrangement once a year and to report to the CONTRACTING PARTIES. The third annual review is required to be a major review of the Arrangement in the light of its operation in the preceding years.

2. The major review was conducted by the Committee during its meeting from 6-10 December 1965. The report on the review is contained under Item I (pages 1-29) of the attached Minutes of the Committee's meeting.
