The following modifications and additions are intended to reflect notifications received since the issue of document COT/W/137.1

Page 7

Add the following after the paragraph under the headings "DENMARK - The Republic of Korea":

The restraint on exports of certain cotton fabrics falling within BTN chapters 60 and 61 was continued in 1972 with an increase in the level over the previous year. Furthermore, the Republic of Korea agreed to limit its exports to Denmark of cotton textile items under BTN 60.05 for the year 1972 to a specific limit; this restraint replaced the Article 2 restrictions hitherto imposed by Denmark (COT/209/Add.1).

Page 19

Add the following after the paragraph on "Hong Kong":

This agreement was amended with effect from 1 October 1971 in order to accommodate the inclusion and coverage of certain man-made fibre and wool textiles. For the year beginning 1 October 1971, the aggregate limit is fixed at 454,423,600 sq. yds. equivalent (COT/216).

Page 21

Add the following to the paragraph on "Malta":

This agreement was further extended without change to cover the period 1 January 1972 to 31 December 1973 (COT/214).

1In the final version of document COT/W/137 which will be attached to the report of the Committee, the relevant tables included therein will be updated to take account of these additional notifications.
Add the following after the paragraph on "Taiwan":

On 30 December 1971, the United States and Taiwan concluded a new agreement to supersede that of 1967 as amended and extended. The term of this agreement extends from 1 January 1971 to 31 December 1975. For the first agreement year the aggregate limit is fixed at 90 million sq. yds. equivalent. In addition to the amounts provided for under other provisions of the agreement, aggregate exports of cotton textiles may be increased by up to 5 per cent provided that exports of man-made fibre textiles under the man-made fibre and wool textile agreement for the corresponding year are below the aggregate limit established therein by an equivalent sq. yd. amount (COT/215).

Add the following after the paragraph on "the Republic of Korea":

On 30 December 1971, a new agreement was concluded to supersede that of 1967 as amended and extended. This agreement, which is to run from 1 January 1971 till 30 September 1975, provides for a first year aggregate limit of 46,687,595 sq. yds. equivalent. In addition to the amounts provided for under other provisions of the agreement, aggregate exports of cotton textiles may be increased by up to 5 per cent provided that exports under the man-made fibre and wool textile agreement for the corresponding agreement year are below the aggregate limit established therein by an equivalent sq. yds. amount (COT/213).

Add the following in the entry on "Italy":

The quotas for imports from Poland for 1971 are as follows:

- Cotton fabrics: 250 tons
- Made-up goods and underwear for men, women or boys: Lit 600,000,000
- Table, kitchen, bath and bed linen: Lit 300,000,000

The system of ministerial import licences has been retained for imports of cotton goods from certain countries which have not acceded to the arrangement, i.e. the Eastern European countries and the People's Republic of China. Special regulations have been adopted in the case of Yugoslavia, limiting imports of grey and bleached cotton fabrics to a maximum of 6,200 tons per annum.
In the table of "Norwegian" quotas, the 1970 figure for Bulgaria should be 190 and not 193, and that for Hungary should be 3,415 and not, 3,615.

Page 26

Add the following after the first paragraph relating to the "United Kingdom":

Notwithstanding its earlier intention, the Government of the United Kingdom found it necessary to review this decision and announced on 8 December 1971 its intention to retain in 1972 the existing system of quantitative restrictions in addition to the new tariff on Commonwealth Preference Area countries (COT/212).
