The cover page of document COT/W/95 should read as follows:

1. The attached forms request data on trade and production\(^1\) for the second quarter of 1967. Space is also provided for data relating to the first quarter of 1967, but only revisions of figures already submitted in connexion with COT/W/94 should be indicated therein. Participating countries are requested not to include figures for the first quarter of 1967 if they have no revisions to communicate.

2. It will greatly facilitate the work of the secretariat if all participating countries, when preparing their submissions, will make use of the standard forms supplied. Additional copies can be obtained on request. Completed forms should be returned as soon as possible, and in any case not later than 15 November 1967.

3. There are still some participating countries which have not yet responded to COT/W/91 and COT/W/94, and these countries are urged to do so as soon as possible.

\(^1\)Data on consumption will be requested once a year.
