GENERAL AGREEMENT ON
TARIFFS AND TRADE

CONTRACTING PARTIES
Sixth Session

WORKING PARTY 4 ON ARRANGEMENTS FOR TARIFF NEGOTIATIONS

Redraft of paragraphs B: 1, 2 and 3

B. Negotiations between two or more contracting parties

Amendment proposed by the Delegation of Turkey to Alternative 2

1. Contracting parties wishing to enter into negotiations with a view to incorporating the results of such negotiations into the General Agreement on Tariffs and Trade would notify the Secretariat which would pass on the information to all other contracting parties by cable.

2. As soon as possible after submission of the notification mentioned in paragraph 1, these governments would advise the Secretariat as to the date and place of the proposed negotiations and submit 50 copies of request lists. This information as well as the request lists would be circulated by the Secretariat to the contracting parties.

3. A contracting party which wished to propose concurrent negotiations with one or the other of the negotiating governments or which considered that it had a substantial interest in an item in one of the lists and wished to participate in the negotiations would be required to advise the Secretariat within 30 days.
