GENERAL AGREEMENT ON
TARIFFS AND TRADE

CONTRACTING PARTIES
Sixth Session

WORKING PARTY 2 ON SCHEDULES

CONSOLIDATED SCHEDULES

Note from the Pakistan Delegation

The Pakistan Delegation wish to draw the attention of the
Contracting Parties to certain omissions in some of the Consolidated
Schedules. The tariff concessions, which were negotiated with India at
Geneva in 1947, were negotiated on behalf of both India and Pakistan. For
this reason, the Pakistan Schedule of Tariff Concessions No. XV and
India's schedule No. XII are identical.

Some of the Contracting Parties, who have submitted their
Consolidated Schedules, have shown the name of India only against the
concessions offered to India and Pakistan at Geneva.

As this does not represent the correct position, the Contracting
Parties are requested to effect the necessary modifications in their
Consolidated Schedules by adding the name of Pakistan against the
relevant items, as has been done by the United States of America and
Czechoslovakia in their Consolidated Schedules.
