The Committee of Participating Countries provided for in the Protocol Relating to Trade Negotiations Among Developing Countries will hold its sixty-first meeting on 10 October 1991, at 10 a.m. in the Centre William Rappard, 154 rue de Lausanne, Geneva. The meeting will also be open to delegations of countries having signed but not yet ratified the Protocol.

The following items have been proposed for inclusion in the agenda for the meeting:

1. **Schedules of concessions**

   (a) The certifications of rectifications to the schedules of concessions of Israel, Republic of Korea, Turkey and Yugoslavia have been circulated to participating countries, following the transposition of their schedules into the Harmonized System. Several other participating countries have also adopted the HS Nomenclature for their tariff schedules, but have not yet submitted their revised schedules of concessions under the Protocol. Document CPC/W/150 shows the status of the transposition of schedules of concessions into the Harmonized System.

   (b) The preferential margins of a significant part of concessions granted under the Protocol have been or will be eroded by the reduction of m.f.n. duties, which have been and will be implemented as a result of the multilateral trade negotiations or on an autonomous basis. So far two countries have taken remedial actions on an unilateral basis, by either reducing their concession rates below the m.f.n. rates in effect or by adding new products to their schedules of concessions and granting them duty-free preferential treatment.
2. **Expansion of trade among developing countries** (paragraph 3 of the Summary of Discussions of the last meeting - CPC/112). At the last meeting the Committee agreed to revert at its next meeting to the question of the expansion of trade among developing countries and to consider further the proposal concerning the advanced implementation of Uruguay Round concessions among participating countries. Members may wish to review developments and exchange views on matters relevant to this agenda item.

3. **Certification of origin** Additional information concerning certification of origin provided by Peru has been circulated in document CPC/10/Add.43, 44 and 45.

4. **Annual Report** The draft Eighteenth Annual Report of the Committee of Participating Countries to the CONTRACTING PARTIES and the Committee on Trade and Development has been circulated in document CPC/W/152 and Addenda.

5. **Derestrichtion of documents** Document CPC/W/151 lists CPC/ and CPC/W/ documents which would appear to be eligible for derestrichion.

6. **Rotation of officers** (CPC/107)

7. **Other business**
