In the light of the discussions at the meeting of the Committee of Participating Countries held on 10 July 1975, a draft Decision and a draft Protocol for the Accession without negotiations of Paraguay to the Protocol Relating to Negotiations Among Developing Countries are circulated in the attachment for consideration.

It is expected that at the next meeting of the Committee to be held towards the end of September 1975, members will be able to discuss with the delegation of Paraguay the final shape of the Decision and the Protocol of Accession and, hopefully, reach agreement on these instruments. It may be noted in this respect that, in accordance with paragraph 4 of the Protocol, the adoption of a decision regarding accession requires a two-thirds majority.

3. This Protocol of Accession shall be valid for a period of [7 years from the date of its entry into force. Prior to the expiration of this period, Paraguay may apply for an extension of the duration of this Protocol of Accession or may enter into negotiations with participating countries for an exchange of concessions. The Committee shall consider any such request, and in this connexion shall adopt a decision in accordance with the provisions of paragraphs 4 and 14 of the Protocol which may extend this Protocol of Accession or provide for a new protocol of accession.

4. The provisions of the Protocol to be applied by Paraguay shall be the provisions contained in the text done in Geneva on 8 December 1971, as rectified, amended or otherwise modified by such instruments as may have become effective on the entry into force of this Protocol of Accession.
