In the light of the discussions at the meeting of the Committee of Participating Countries held on 17 October 1975, a draft Decision and a draft Protocol for the Accession without negotiations of Bangladesh to the Protocol Relating to Negotiations Among Developing Countries are circulated in the attachment for consideration.

In addition to any amendments or revisions the Committee may wish to suggest, paragraph 1(ii) and the related paragraph 2 of the draft Protocol of Accession remain to be completed in the light of a decision by participating countries on the nature of the counterpart commitments expected from Bangladesh with respect to participating countries, having regard, inter alia, to any concessions exchanged by Bangladesh in other contexts including that of the recently signed Bangkok Agreement.

It may be noted that, in accordance with paragraph 4 of the Protocol, the adoption of a decision regarding accession requires a two-thirds majority.
