MINUTES OF MEETING

Held in the Centre William Rappard on 17 March 1992

Chairman : Mr. B.K. Zutschi (India)

Overview of Developments in International Trade and the Trading System

Corrigendum

Please note that the following paragraph should be added:

"22. The representative of Brazil noted the reference made by the representative of the European Communities to the transition from a bi-polar to a multi-polar international order. Nevertheless, several aspects of the conduct of the overview exercise, and the recent evolution of the negotiations in the Round, led him to believe, or at least fear, that the new international order would be one where the military and political bi-polarity of the past might be replaced by an economic bi-polarity.

23. He noted ..."
