Pursuant to the revised procedures for review meetings circulated in the communication from the Chairman of the Council dated 30 April 1993 (L/7208), the following are outlines of the main points to be raised by Mr. Wilhelm Meier (Switzerland) and Mr. Suboh M. Yassin (Malaysia) at the review of Macau to be held on 27-28 September 1994.

It is recalled that discussants act in their personal capacity.

(a) Mr. Wilhelm Meier

1. Industrial modernization and diversification policy of Macau.

2. Institutional set-up for economic policy-making after the creation of the Special Administrative Region of China.

3. Textiles and clothing:
   * Impact of the implementation of the WTO Agreement on Textiles and Clothing on Macau's exports;
   * Internal quota allocation system.

4. Régime of origin certificates for textiles and clothing.

5. Legislation on intellectual property.

(b) Mr. Suboh M. Yassin

1. Rôle of the private sector in development.

2. Level of tariff bindings.

3. Preferential consumption taxes on certain imports from Portugal.
4. Additional surcharge on indirect imports (may add to consumer costs); import prohibition on second-hand cars.

5. Discretionary elements in industrial incentives.

7. Transhipment questions in regard to textiles and clothing.
