Export of Domestically Prohibited Goods

NOTIFICATION

1. **Country notifying:** AUSTRIA

2. **Responsible authority:** —

3. **Description of goods:** —

4. **Human health and safety grounds for banning the goods:** —

5. **Other relevant information:**

   The Austrian Federal Law of 3 March 1983 on the Protection Against Dangerous Products, Federal Law No. 171/83, will enter into force on 1 October 1983. This law contains, among others, provisions on the prohibition or limitation of the sale of such products, but does not differentiate between the sale on the domestic market and the export.
