The following communication, dated 22 October 1992, has been received from the Permanent Mission of Canada with the request that it be circulated to the contracting parties.

On 18 February 1992, the Council adopted a panel report on the Import, Distribution and Sale of Certain Alcoholic Drinks by Provincial Marketing Agencies in Canada. In keeping with Section I of the Montreal Agreement on dispute settlement, Canada takes this opportunity to draw the attention of the CONTRACTING PARTIES to Canada’s July 14 statement to the Council which detailed the measures taken by the Canadian provinces to comply with the panel’s findings.

In addition to the measures already in place, Canada is committed to the implementation by September 1993 of measures respecting self-delivery and access to points of sale for foreign beer. Provincial action in this regard is ongoing.
