UNITED STATES - MEASURES AFFECTING ALCOHOLIC AND MALT BEVERAGES

Follow-up on the Panel Report

Communication from the United States

The following communication, dated 10 December 1993, has been received from the Office of the United States Trade Representative in Geneva with the request that it be circulated to contracting parties.

Pursuant to paragraph 1.3 of the 1989 Improvements to the GATT Dispute Settlement Rules and Procedures (BISD 36S/61), the United States advises contracting parties of the status of implementation of the recommendations of the report of the Panel in "United States - Measures Affecting Alcoholic and Malt Beverages".

With regard to measures involving States of the United States, as noted in our previous report, the 1993 legislative session has concluded in most States. Nevertheless, States (e.g., Arizona, Illinois) have informed USTR that they are continuing the process of drafting legislation or administrative rules to address the issues discussed in the Panel's recommendations.
