GENERAL AGREEMENT ON TARIFFS AND TRADE
FIRST SESSION OF THE CONTRACTING PARTIES
PROPOSED RESOLUTION

THE FIRST SESSION OF THE CONTRACTING PARTIES OF THE GENERAL AGREEMENT ON TARIFFS AND TRADE

Considering the amendment suggested by the Brazilian representative in Document GATT/1/29, intended to bring paragraph 6 of Article XVIII into conformity with the phrasing of paragraph 1 (a) of Article 14 of the Havana Charter for an International Trade Organization, which has been prepared by the United Nations Conference on Trade and Employment,

Considering the provisions of paragraph 5 of Article XXV of the General Agreement on Tariffs and Trade,

Considering that the amendment of the Brazilian representative does not require adoption in that the cases it is intended to cover are governed by the provisions of paragraph 5 of Article XXV, and

Having taken note of the report of Committee II of the United Nations Conference on Trade and Employment regarding Article 14 of the Havana Charter for an International Trade Organization,

Recommends to the Second Session of the Contracting Parties that it give sympathetic consideration under paragraph 5 of Article XXV to such cases of the type foreseen in the Brazilian amendment, as may be submitted to it.
