GENERAL AGREEMENT ON TARIFFS AND TRADE

GATT Liberalization Communiqué No.8

FRANCE EXTENDS MEASURES OF TRADE LIBERALIZATION

Addendum

In the above communiqué it was stated that "a further extension to the measures of trade liberalization will become effective on 1 January 1960, notification of which will appear in the 'Journal Officiel' within the next few days. This notification will take the form of a negative list of the commodities which will continue to be subject to quotas."

The negative list was published in the French "Journal Officiel" dated 24 December 1959. This issue of the "Journal Officiel" is available for consultation at the GATT secretariat.
