Liberalization Communiqué No. 88

FRANCE UNDERTAKES FURTHER LIBERALIZATION OF IMPORTS

The French authorities have transmitted to the GATT secretariat a list of products which have been liberalized, with effect from 7 June 1964, vis-à-vis GATT countries. The following products are included in the list: walnuts; dried peaches, apples and pears; castor oil; chewing gum; specified frozen fruit and fruit juices; specified basketwork and wickerwork; knotted carpets and rugs; certain elastic and knitted fabrics; various types of needles; scissors; specified motor cycles, parts and accessories; sound recorders; certain brooms and brushes; gymnasium and athletic equipment; unmounted fish-hooks.
