SUBJECT: THIRD MEETING OF THE SUB-GROUP OF THE INTERSESSIONAL WORKING PARTY ON THE REDUCTION OF TARIFF LEVELS

I have the honour to inform you that the Third Meeting of the Sub-Group of the Intersessional Working Party on the Reduction of Tariff Levels has been postponed on the request of some members of the Group. The Meeting will be held at the Palais des Nations, Geneva, beginning at 11 AM on Tuesday, 15 July 1952.

Members of the Sub-Group have now submitted the calculations of the average ad valorem incidence of their customs tariffs with the exception of Denmark, Italy and the United Kingdom which, however, have undertaken to furnish their calculations by the end of May. In view of the postponement of the Meeting, the calculations by the Secretariat of the average of the duties of the member countries will not be distributed early in June, as indicated in GATT/AIR/16, but the complete memorandum setting out the incidence figures for each country together with the average for the Sub-Group and the demarcation lines will be distributed before the end of June.
