SUBJECT: COTTON TEXTILES COMMITTEE - INFORMATION ON STEPS TO FACILITATE ADJUSTMENTS IN DOMESTIC INDUSTRIES

1. In paragraph C(h) of their conclusions relating to the trade of developing countries adopted on 24 November 1967 (L/2943, Page 6), the contracting parties invited the importing countries participants in the cotton textiles arrangement to report to the cotton textiles committee, in advance of its next meeting, the steps taken by them to facilitate adjustments in their domestic industry during the period of special protection provided by the cotton textiles arrangement.

2. The importing countries concerned are accordingly requested to notify to the secretariat by 1st July 1968, for the information of the cotton textiles committee, all relevant information on the measures taken or contemplated by them to facilitate adjustments in their cotton textiles industries.
