CONTRACTING PARTIES

CONSOLIDATED SCHEDULES OF TARIFF CONCESSIONS

Corrigendum

The following corrections to the Consolidated Schedules were received by the Secretariat after the volumes had gone to press and could not therefore be included. The contracting parties may wish in any case to consider these corrections before a printed "Errata" is issued, and there is also the possibility that other errors may be found which should be included in the "Errata". Any corrections should be sent as soon as possible, and in any case before the opening of the Seventh Session. They will be circulated in mimeographed form under the above symbol and if no objections are received the printed "Errata" will be issued at the close of the Seventh Session.
