Corrigendum to the Summary Record
of the Fifth Meeting

Page 4, third sentence from the top, to be amended to read as follows:

"The Government of the Netherlands intended to present both the Agreement and the Charter to Parliament in October or November. Dr. SPEEKENBRINK hoped that his country would be one of the first to ratify the Havana Charter. With regard to the proposed changes of the GATT he warned once more against too many alterations as this would create confusion and uncertainty that might damage the work undertaken especially with a view to the future tariff negotiations."
