CONTRACTING PARTIES
THIRD SESSION

UNITED KINGDOM - NORWAY NEGOTIATIONS

Contracting Parties will be aware that in addition to negotiating with acceding governments, the United Kingdom and Norwegian delegations have also completed negotiations between the United Kingdom and Norway which were not completed in Geneva in 1947.

It had been the intention of the United Kingdom and Norway to include the resulting concessions in the Annecy Protocol. In view, however, of the possibility of it proving necessary to have 11 separate protocols of accession (see GATT/CP.3/70), the United Kingdom and Norwegian delegations have decided to incorporate the results of their negotiations in a separate protocol, the text of which is attached.

This draft protocol will be examined by the Joint Working Party on Accession at the same time as it considers GATT/CP.3/70 and will then be submitted to contracting parties for approval.

HEREBY agree as follows:

1. The lists of concessions by Norway and the United Kingdom contained in the Annex to the present Protocol shall constitute supplements to Schedules XIV and XIX, respectively, of the General Agreement, and shall be deemed to be integral parts of those Schedules.

2. This Protocol shall, following its signature at the close of the Third Session of the CONTRACTING PARTIES, be deposited with the Secretary-General of the United Nations.

3. The deposit of this Protocol will, as from the date of deposit, constitute the deposit of the instrument of acceptance of the amendment set out in paragraph 1 of this Protocol by any contracting party the representative of which has signed this Protocol without any reservation.
