CONTRACTING PARTIES

Third Session

Schedule VI – Ceylon

Results of Re-negotiations

By a resolution adopted on August 26, 1948 the CONTRACTING PARTIES agreed that the Government of Ceylon might re-open negotiations on certain of the tariff items of Schedule VI, these negotiations to be conducted with the contracting parties with which the concessions had been initially negotiated at Geneva in 1947.

The Delegation of Ceylon has conducted negotiations at Annecy with the delegations of Australia, Benelux, China, Czechoslovakia, France, New Zealand, Norway, South Africa and the United States. These have resulted in the deletion and addition of several items and in the modification of many rates of duty in Schedule VI; they have not resulted in changes in other schedules to the General Agreement. The Government of Ceylon is prepared to give effect to the modifications of Schedule VI on 1 September 1949.

In anticipation of the results of these negotiations being approved by the CONTRACTING PARTIES, a Protocol giving effect thereto is being prepared and will be opened for signature at Annecy on 12 August. The Protocol will also introduce a renumbering of the tariff items of the Schedule in order to bring them into conformity with the new numbering of the Ceylon customs tariff. Consequently the whole of Schedule VI is to be replaced and a copy of the new Schedule is attached hereto.

The results of Ceylon's re-negotiations may be summarized as follows (the tariff item numbers are those of the new Schedule attached):
