ADDENDUM TO

LETTER FROM THE PRESIDENT OF THE URUGUAYAN DELEGATION
CONCERNING THE PROTOCOL OF ACCESSION

The Uruguayan Delegation has requested that the full text of their letter of 12 July, which was summarised in GATT/TN.1/26/Add.1, be communicated to the Contracting Parties. The text is as follows:

"12 July 1949.

The Tariff Negotiations Committee, at its meeting of 11 July, decided to include in the provisions of paragraph 1 (d) of the Protocol of Accession to the General Agreement the Treaty of Trade and Navigation between Uruguay and Paraguay, effective since 26 May 1939. The Committee did not consider the other similar point which I raised, concerning commercial relations with Bolivia since it had not received the background information which it considered necessary to form an opinion.

The Treaty with Paraguay, together with various interpretative notes which form an integral part of it, has been published in the "Coleccion de Tratados, Convenciones y Acuerdos Economico-Comerciales", volume 1, pages 327 to 383, edited by the Government of Uruguay in Montevideo through the Ministry of Foreign Relations.

Rather than provide information that might be incomplete as a result of making a summary of this material, I have thought it preferable to deposit a copy of this volume with the secretariat in order that it may be available for consultation by delegations. I shall be glad to provide insofar as possible any further information which may not be contained in the official publication."
