1950 TARIFF NEGOTIATIONS
Exchange of Statistics and Customs Tariffs
and submission of Lists of Products and Requests

Addendum

Request from the Republic of the United States of Indonesia.

The Indonesian government has advised the Secretariat that it has in its possession only the tariffs and statistics of the Netherlands and the United States. All other contracting parties are consequently requested to send this documentation as soon as possible to:

The Ministry of Welfare of the Republic of the United States of Indonesia,
Foreign Economic Relations Department,
Secretary of the Working Committee on G.A.T.T.,
Djakarta.

The Indonesian government has also advised that no change has been made in the Customs Tariff since before December 27, 1949 and asks that only those countries which do not possess the original tariff request this document. Countries which, in document GATT/TN.2/8 and Addenda, have already requested the Indonesian tariff will be supplied with it, however.
