The Government of Italy has transmitted the attached notes relating to the list of Italian residual restrictions shown in Section 4 (pp. 13 to 16) L/1563.
Quantitative Import Restrictions Applied by Italy

(Notes relating to the list in Section 4 of document L/1563)

As a result of measures recently adopted by Italy, the explanatory notes in the above-mentioned document should be brought up-to-date as follows:

(a) imports of live bovine animals, meat and edible offals of bovine animals, bacon, lard, and other pork fats, as well as butter are subject to the minimum price system;

(b) unrestricted imports of the following products are suspended temporarily until 31 December 1961: live swine for slaughter, fresh, chilled or frozen pork, fresh chilled or frozen pork offals, pork and edible pork offals salted in brine, dried or smoked;

(c) import restrictions on semi-manufactured gold and worked gold are applied in accordance with the provisions of Article XX, paragraph (c) of the General Agreement;

(d) import restrictions on wheat and meslin, wheat flour, common salt (including rock salt, sea salt and table salt) and sodium chloride, bananas and tobacco are applied pursuant to legislation existing prior to the Annecy Protocol, and therefore covered by the provisions of paragraph 1(a) ad (ii) of the said protocol.
