REPORT OF THE PANEL ON URUGUAYAN RECOUSE TO ARTICLE XXIII

Corrigendum

Subsequent to its adoption by the CONTRACTING PARTIES on 16 November, the report of the Panel on Uruguayan Recourse to Article XXIII has been checked with the object of bringing to light any errors it contained. This check has revealed that the following amendments should be made to L/1923:

Page 12:

Insert footnote indicator "1" after "variable levy" as applied to "10.01, Wheat".

Page 14: Section 3:

Delete "variable levy and" in the first line of the second paragraph.

Page 19:

1. The list of measures appearing at the top of the page should be amended to read as follows:

   (i) State trading;
   (ii) health regulations;
   (iii) tariff preferences;
   (iv) sales taxes; and
   (v) import permit requirements.

2. The text of the revised first paragraph of section (b), as contained in L/1923/Corr.1, should be amended by (i) the insertion of "import permit requirements" after "State trading" in the first line; (ii) the insertion of "and import permit requirements" after "State-trading measures" in the ninth line; and (iii) the substitution of "Article XXII" for "Article XXIII" in the sixth line.

Page 25: Section 4:

In the list of measures under paragraph (a), item (iii) should read "variable charges"; likewise in paragraph (b) "import" in the second line should be replaced by "variable".
Page 33: Section 3:

Delete "and variable levies" in the first line of the second paragraph.

Page 33: Section 4:

The text of the revised section (b) as contained in L/1923/Corr.1 should be amended by the substitution of "Article XII" for "Article XXIII" in the sixth line.

Page 42: Section 3:

1. Delete in the first paragraph, second and third lines, "Italy's Protocol of Provisional Application" and replace by "the Annecy Protocol, under which Italy applied the GATT".

2. The first one and a half lines of the second paragraph should be deleted and the paragraph should commence with "The representative of Uruguay ....."

In addition to the above corrigenda there are a number of other minor typographical errors, of which account will be taken when the report is reproduced in the Eleventh Supplement to the Basic Instruments and Selected Documents.
