The regulations concerning imports into South Africa for 1967 have recently been amended, by Order R. 316 of 10 March 1967. This order amends the basic regulation contained in Order R. 2083, which was reproduced in part in L/2722/Add.1. The recent amendments are explained in paragraph 2 below.

In this connexion, certain corrections should be noted in regard to the text and description of Order R. 2083 as contained in L/2722/Add.1; these are set out in paragraph 1 below.

1. Corrections to L/2722/Add.1

page 1, line 3:

Insert, after "control", the words "for 1967"

page 2, last line:

Delete "paragraph" and substitute "page"

page 3, before the last line:

Insert the following new entry in the list:

ex 92.11 Dictating machines

page 6, following the headings:

Insert, before the first entry, "(7)"

page 8, following the headings:

Delete, before the first entry, "(7)"

(With regard to the last two changes, it will then appear correctly that the entire list from the top of page 6 to the beginning of paragraph 4(b) on page 11 comprises sub-paragraph (7) of paragraph 4(a).)
2. **Amendments to Order R. 2083 contained in R. 316 of 10 March 1967**

(a) R. 316 contains a number of additions, deletions and corrections to the lists of goods included within the various categories. The most important of these changes are:

1. Add to the paragraph (1) list of goods exempted from permit:
   
   - ex 27.10 White spirit
   - ex 27.12 Petroleum jelly

2. Delete from the paragraph (5) list (as it already appears in the paragraph 4(a) list):
   
   - ex 90.05 Field glasses, binoculars, opera glasses and telescopes

(b) R. 316 also modifies the conditions regarding use of permits as follows:

1. Insert, after first introductory paragraph of paragraph 4 (L/2722/Add.1, page 5, before the last six lines):

   "Import permits issued for the importation of general merchandise (i.e. group B goods) in terms of paragraph 4(b) will be valid for the importation of the goods detailed in sub-paragraphs 4(a)(1) to 4(a)(6) but will not be valid for the importation of any of the goods detailed in sub-paragraph 4(a)(7)."

2. Delete the second sentence of explanatory note 6 (L/2722/Add.1, page 14, lines 3-5) and insert in its place:

   "Such permits will be valid for the importation of all the goods detailed in sub-paragraphs (1) to (6) of paragraph 4(a) of this notice but not for the goods detailed in sub-paragraph (7)."
