With reference to GATT/AIR/371 I have the honour to give you the following information regarding the three points mentioned in the said aérogramme:

1-2. There has been no change in the Norwegian restrictions on imports from Poland during the last year. I refer to the delegation's letter of 1 September 1970 (see document L/3445, page 34) the content of which is still valid as far as points 1 and 2 are concerned.

3. In a separate annex is to be found a statistical survey on the imports from Poland.
