QUATRIÈME CERTIFICATION DE CHANGEMENTS APPORTÉS AUX LISTES

Liste XXXII - Autriche

La Mission permanente de l'Autriche a fait parvenir la communication suivante au secrétariat.

J'ai l'honneur de vous adresser sous ce pli le projet d'une nouvelle Liste XXXII - Autriche dont le texte fait foi.

La distribution d'une nouvelle Liste codifiée des concessions fait suite aux modifications de la Nomenclature du Conseil de coopération douanière qui figurent dans la Recommandation du CCD du 18 juin 1976 concernant la modification de la Nomenclature pour la classification des marchandises dans les tarifs douaniers, et aux modifications apportées au Tarif douanier national de l'Autriche, sans intention d'en changer les dispositions de fond; sous réserve de son adoption par le Parlement, le Tarif douanier autrichien entrera en vigueur le 1er janvier 1978. Les résultats des renégociations au titre de l'article XXVIII relatives aux positions tarifaires n° 19.03 et ex 85.21 ont été incorporés dans ce projet.

Deux exemplaires de ce projet de liste codifiée sont adressés à chaque partie contractante.

Si aucune objection n'est notifiée au secrétariat dans un délai de 60 jours à compter de la date du présent document, le projet de Liste XXXII - Autriche, sera considéré comme approuvé et sera incorporé dans la Quatrième Certification de changements apportés aux Listes.

FOURTH CERTIFICATION OF CHANGES TO SCHEDULES

Schedule XXXII - Austria

The following communication has been received from the Permanent Mission of Austria.

I have the honour to forward to you annexed to this letter the draft of a new authentic Schedule XXXII - Austria.¹

The circulation of a new consolidated List of Concessions is consequent to the changes in the Nomenclature of the Customs Co-operation Council as contained in the Recommendation of the CCC of 18 June 1976 concerning the Amendment of the Nomenclature for the Classification of Goods in Customs Tariffs, as well as to amendments to the National Customs Tariff of Austria without intended changes in substance: subject to approval by Parliament the Austrian Customs Tariff will enter into force on 1 January 1978. The results of Article XXVIII renegotiations relating to tariff item No. 19.03 and ex.85.21 have been incorporated in the present draft.

Two copies of this draft consolidated schedule are being addressed to each contracting party.

If no objection is notified to the secretariat within sixty days from the date of the present document, the draft of Schedule XXXII - Austria will be deemed to be approved and will be included in the Fourth Certification of Changes to Schedules.

¹In English only.
The following consolidated Schedule replaces all the Schedules of Austria annexed to the General Agreement in accordance with the Torquay Protocol, dated 21 April 1951; with the Second Protocol of Supplementary Concessions, dated 22 November 1952; with the Sixth Protocol of Supplementary Concessions, dated 23 May 1956; with the Seventh Protocol of Supplementary Concessions, dated 19 February 1957; with the Protocol for the Accession of Israel, dated 6 April 1962; with the Protocol Embodying Results of the 1960-61 Tariff Conference, dated 16 July 1962; with the Supplementary Protocol Embodying Results of the 1960-61 Tariff Conference, dated 6 May 1963; with the Schedule of Austria annexed to the Declaration of the Provisional Accession of the Swiss Confederation, dated 22 November 1958, and the Protocol for the Accession of Switzerland, dated 1 April 1966; and with the Geneva (1967) Protocol, dated 30 June 1967; as at present valid.
