ARTICLE XIX - ACTION BY CANADA

Leather Footwear

Modification of Arrangements for Termination and Phase-Out of Quotas

Addendum

The following communication, dated 13 June 1986, has been received from the Permanent Mission of Canada.

With reference to the notification to contracting parties of changes in the implementation of measures regarding Canada's quotas on imports of certain types of footwear taken under Article XIX (documents L/5263/Add.25 and L/5351/Add.27 refer), the Canadian Government wishes to advise of further changes designed to liberalize the import restrictions.

Effective 1 April 1986 the following imports of leather footwear are exempt from the quota: (a) all shoes and sandals valued for duty at $28 Canadian or more per pair; and (b) all boots valued for duty at $55 Canadian or more per pair. The overall level of the quota will remain unchanged.
