NOTIFICATION IN PURSUANCE OF PARAGRAPH 3 OF THE UNDERSTANDING REGARDING NOTIFICATION, CONSULTATION, DISPUTE SETTLEMENT AND SURVEILLANCE

Arrangement between the United States of America and the European Communities Relating to Steel

Notification by the European Communities

Addendum

The following communication, dated 16 October 1986, has been received from the delegation of the Commission of the European Communities for circulation to contracting parties.

In December 1985, the European Communities and the United States of America had concluded an arrangement amending the arrangement of 21 October 1982 relating to trade in certain steel products and extending it until 30 September 1989 (L/5413 and Add.1).

On 5 September 1986, the two parties supplemented the above with an arrangement concerning semi-finished steel products which involves restraints by the Communities (as composed in 1985 and hence not including Spain and Portugal) with regard to exports of such products to the United States market during the period from 15 September 1986 to 30 September 1989.

The text of the arrangement has been published in the Official Journal of the European Communities (O.J. L/262 of 13 September 1986).

This notification is made in pursuance of paragraph 3 of the "Understanding Regarding Notification, Consultation, Dispute Settlement and Surveillance".
