2. The Committee welcomed Turkey as a signatory (VAL/21) and was informed of steps taken towards ratification of the Agreement by Turkey. Argentina also informed the Committee of progress towards its ratification of the Agreement.

3. The Committee agreed to the terms of accession for Lesotho under Article 22.3 of the Agreement suggested in the annex of VAL/W/37.

7. The Committee completed its examination of the Canadian legislation (VAL/1/Add.17 + Supplements, VAL/2/Rev.1/Add.14, VAL/W/35). The Committee also heard statements on the legislation of Czechoslovakia (VAL/1/Add.18, VAL/2/Rev.1/Add.15) and the Republic of Korea (VAL/1/Add.19 + Supplement, VAL/2/Rev.2/Add.1) and agreed to continue the examination of these legislations at its November 1986 meeting, before which further documentation would be made available. The Committee considered detailed proposals from Brazil for the retention on a limited and transitional basis of officially-established minimum values under paragraph 1:3 of the Protocol (VAL/W/36). 10. Under "Other business", the Committee heard statements on the activities of private companies involved in the valuation of goods for customs purposes on behalf of governments.

11. Other points considered by the Committee were preparations for the next annual review of the implementation and operation of the Agreement and panelists.

12. The Committee is scheduled to meet again on 13 June and 10-11 November 1986.
