ASSESSMENT OF ADDITIONAL CONTRIBUTION TO THE
1987 BUDGET AND ADVANCE TO THE WORKING CAPITAL FUND

Note by the Director-General

1. Following the accession to the GATT of Antigua and Barbuda (document L/6147) it is proposed that a contribution to the 1987 budget amounting to Sw F 72,120 be assessed on this Government. This assessment represents the minimum contribution of 0.12 per cent applicable to countries whose share in the total trade of the contracting parties and associated governments is 0.12 per cent or less.

2. The Government of Antigua and Barbuda has applied the General Agreement on a de facto basis since 1 November 1981 and therefore, on its accession, acquired the rights and obligations of the General Agreement from that date. However, no retroactive assessment will be made on Antigua and Barbuda, in accordance with the proposals contained in document L/2051, adopted by the CONTRACTING PARTIES on 5 March 1964.

3. In conformity with the Rules governing the use of the Working Capital Fund, a government acceding to the General Agreement shall make an advance to the Working Capital Fund in accordance with the scale of contributions applicable to the budget of the year of its accession. The minimum advance to the Working Capital Fund amounts to 0.5 per cent of the principal of the Fund for countries whose share of the total trade of the contracting parties and associated governments is 0.5 per cent or less. Such advances shall be carried to the credit of the contracting parties which have made them.

4. On the basis of the level of the Working Capital Fund of Sw F 3,224,561 on 1 January 1987, it is proposed to assess an amount of Sw F 16,120 on the Government of Antigua and Barbuda as an advance to the Fund.
