ANTI-DUMPING AND COUNTERVAILING MEASURES LEGISLATION

1. The Secretariat has published a compendium of laws and regulations relating to anti-dumping and countervailing measures of Parties to the Anti-Dumping Code and Signatories of the Subsidies and Countervailing Measures Code. This compendium is based on notifications by Parties to, and Signatories, of the respective Codes. It is presently available in English; French and Spanish versions will be available shortly.

2. The compendium of national laws and regulations is in the form of a loose-leaf system. Replacement pages will be made available as and when respective legislations are changed.

3. Each contracting party has been provided with one copy of the compendium. Additional copies are available from the secretariat at the price of Sw.F. 30.- which includes the first four sets of replacement pages.
