CHILE - ESTABLISHMENT OF A NEW SCHEDULE VII

Communication From Chile

The following communication, dated 8 April 1991, has been received from the Permanent Mission of Chile.

I wish to inform you, and through your good offices the CONTRACTING PARTIES, that Chile, as it notified at the appropriate time, has completed the transposition of its Customs Tariff into the Harmonized System and has been applying the latter since 1 January 1990.

Nevertheless, for technical reasons, it has not yet been possible to complete the preparation of the documentation required in connection with the procedures under Article XXVIII, on which work is continuing.

For the above reasons, Chile requests an extension of the authorization granted by the Decision of the CONTRACTING PARTIES in document L/6614 of a temporary waiver of its obligations under Article II of the General Agreement until 31 December 1991.
