ISRAEL - ESTABLISHMENT OF A NEW SCHEDULE XLII

Extension of time-limit

The following communication dated 17 May 1991 has been received from the Permanent Mission of Israel with the request that it be circulated to the contracting parties and considered by the Council at its next meeting.

Following the Decision taken by the CONTRACTING PARTIES to extend until 30 June 1991 the suspension of the provisions of Article II of the General Agreement with regard to Israel's new Schedule XLII (L/6778), a further effort was done to complete the necessary documentation for the renegotiations under Article XXVIII of the General Agreement. Regretfully the undergoing work is not yet finished and some more time is needed to finalize the preparation of the documentation.
