MEXICO - ESTABLISHMENT OF A NEW SCHEDULE LXXVII

Communication from Mexico

The following communication, dated 15 May 1992, has been received from the Permanent Mission of Mexico.

With reference to the Decision of the CONTRACTING PARTIES of 4 December 1991 (L/6958) exempting Mexico from the provisions of Article II of the General Agreement in respect of implementation of the Harmonized System until 30 June 1992, I should be obliged if you would transmit to the CONTRACTING PARTIES Mexico's request for an extension of the time-limit established in that Decision until 31 December 1992.

As you are aware, the documentation concerning Schedule LXXVII - Mexico was submitted on 16 October 1989, and the relevant consultations and/or negotiations are being conducted with the contracting parties which expressed their interest in conformity with the corresponding procedures.

Nevertheless, owing to difficulties of a technical nature and Uruguay Round activities, it will not be possible to complete these consultations and/or negotiations within the period of exemption granted until 30 June 1992, whence the need for the exemption mentioned in the first paragraph of this communication.
