SENEGAL - ESTABLISHMENT OF A NEW SCHEDULE XLIX

Extension of Time-Limit

The following communication, dated 21 May, has been received from the Permanent Mission of Senegal.

By a Decision adopted at their forty-seventh session, the CONTRACTING PARTIES granted Senegal a further extension of the six-month time-limit, until 30 June 1992, of the waiver of its obligations under Article II of the General Agreement for the purposes of the establishment of a new Schedule XLIX of tariff concessions.

This new Schedule is now ready and the accompanying documentation is being finalized. It will shortly be possible to make them available to contracting parties for the purposes of renegotiation under Article XXVIII of the General Agreement.

Accordingly, the Government of the Republic of Senegal requests a further six-month extension, until 31 December 1992, of the waiver which it was granted under Article XXV:5 of the General Agreement.
