HUNGARY - ESTABLISHMENT OF A NEW SCHEDULE LXXI

Extension of Time-Limit

The following communication dated 29 May 1992 has been received from the Permanent Mission of Hungary.

With reference to the Decision of the CONTRACTING PARTIES of 4 December 1991 (L/6955) exempting Hungary until 30 June 1992 from its obligations under Article II of the General Agreement with respect to the implementation of the Harmonized System, I would be obliged if you would transmit to the contracting parties Hungary's request for an extension of the time limit established in that Decision until 31 December 1992.

This extension is requested because although the documentation relating to the new Schedule LXXI - Hungary was submitted to the GATT Secretariat and was circulated as SECRET/HS/32 on 4 March 1992, the period of exemption previously granted until 30 June 1992 will not be sufficient to complete consultations and negotiations under procedures established for the transposition of national tariffs into the Harmonized System.
