Note by the Director-General

1. Upon the accession to the GATT of Qatar on 7 April 1994 (document L/7441), it is proposed that a contribution to the 1994 budget amounting to Sw F 74,320 be assessed on this Government. This assessment is based on an annual contribution of 0.08 per cent, taking into account the foreign trade figures of Qatar for the years 1990-1992.

2. The Government of Qatar has applied the General Agreement on a de facto basis since 3 September 1971 and, therefore, on its accession, acquired the rights and obligations of the General Agreement from that date. However, no retroactive assessment will be made on Qatar, in accordance with the proposals contained on document L/2051, adopted by the CONTRACTING PARTIES on 5 March 1964.

3. In conformity with the Rules governing the use of the Working Capital Fund, a government acceding to the General Agreement shall make an advance to the Working Capital Fund in accordance with the scale of contributions applicable to the budget of the year of its accession. The minimum advance to the Working Capital Fund amounts to 0.5 per cent of the principal of the Fund for countries whose share of the total trade of the contracting parties and associated governments is 0.5 per cent or less. Such advances shall be carried to the credit of the contracting parties which have made them.

4. On the basis of the level of the Working Capital Fund of Sw F 6,040,530 on 7 April 1994, it is proposed to assess an amount of Sw F 30,203 on the Government of Qatar as an advance to the Fund.
