The Australian Government was authorized at the Eighth Session of the CONTRACTING PARTIES (SR.8/16) to renegotiate the concession under item No. 174(M) (25)(u)(2) in Schedule I.

The negotiations with the United States, with which the concession was initially negotiated, and with Czechoslovakia, Germany and Italy, which claimed an interest in the concession, have been completed as shown hereunder. These modifications entered into effect on 16 February 1954.
