SCHEDULE XXXVII - TURKEY

Modification of Item 134

The Government of Turkey has advised that the Note to item 134 in Schedule XXXVII has been modified upon the request of the Government of Italy with which the item was negotiated at Torquay.

The Note to item 134 reads:

"Note: Tie fabrics, of natural or artificial silk, cut in right-angled triangle shape, the dimensions of the sides adjacent to the right angle being 60 and 70 centimetres respectively, shall pay £T.8,000 per 100 K.N.L."

and has been modified to read as follows:

"Note: Tie fabrics, of natural or artificial silk, cut in right-angled triangle shape, the dimensions of the sides adjacent to the right angle being 40 to 60 centimetres and 50 to 70 centimetres respectively, shall pay £T.8,000 per 100 K.N.L."

It is explained that this modification is required in order to make it clear that the measurements indicated in the text are to be understood as maxima and not as fixed dimensions.

If no objection to this change is received by the Executive Secretary by 28 May 1954 the new text will be effective as from that date and the modification will be incorporated in a protocol of rectifications and modifications at the Ninth Session.
