Corrigendum

The Council of the European Coal and Steel Community has asked the General Secretary, on behalf of the six delegations, to distribute the following corrigendum:

Page 3, para. 8, line 4:

Replace the word "... delegations ..." by the words "... contracting parties ..."

Page 3, para. 8, line 12:

Replace the text beginning with the words "In addition ... " and ending with "... are still in force" by the following text:

"Moreover, the total or partial suspensions of duties, ordered as a provisional measure by the Governments of the Member States (with the exception of Italy) on the establishment of the common market for ordinary steel, still remain in force. The suspensions apply to:

- Vanadium and titanium pig iron (No. 73.01 C, 1 of the Common Nomenclature),
- Coils for re-rolling (No. 73.08)
- Ships' plates (no. 73.13 ex B)
and have been extended since 1 August 1954 to:
- Electric sheets and plates, having a watt-loss not exceeding 0.75 watt (No's. 73.13 A I and 73.15 B VI a 1),"
