GENERAL AGREEMENT ON
TARIFFS AND TRADE

CONTRACTING PARTIES
Tenth Session

ERRORS IN THE PROTOCOLS OF AMENDMENT

Protocol amending Part I and Articles XXIX and XXX -
Protocol amending Parts II and III -
Protocol of Organizational Amendments

As indicated in document L/378, a number of errors have been found in
the three Protocols of amendment drawn up at the Ninth Session. As these
Protocols have not yet entered into force, it would seem that the procedure
of a protocol of rectification would not be appropriate. It is suggested that
the most convenient method of making the necessary rectifications in the text
of these Protocols would be to embody the corrections in a procès-verbal along
the lines of the draft below. The procès-verbal would be signed by the pleni-
potentaries of the contracting parties which have not yet accepted such
protocols at the time they accept the Protocols themselves. It would also be
necessary for the representatives of the countries which have already accepted
any of the Protocols to affix their signatures to the procès-verbal.

If that procedure commends itself to the CONTRACTING PARTIES, a draft
procès-verbal containing the rectifications set out in document L/378 as well
as any changes proposed by the contracting parties before 10 November will be
circulated for consideration by the CONTRACTING PARTIES.
PROCES-VERBAL OF RECTIFICATION

The undersigned, acting in their capacity of representatives of the governments which are contracting parties to the General Agreement on Tariffs and Trade and without prejudice to their rights under Article XXX of that Agreement, HEREBY AGREE that the text of the Protocol amending Part I and Articles XXIX and XXX of the General Agreement on Tariffs and Trade, the Protocol amending the Preamble and parts II and III of the General Agreements on Tariffs and Trade, and the Protocol of organizational amendments to the General Agreement on Tariffs and Trade, each dated 10 March 1955, shall be rectified as follows and that the acceptance of any of the afore-mentioned protocols shall be considered as an acceptance of that Protocol as rectified in accordance with this procès-verbal:

The Executive Secretary to the CONTRACTING PARTIES to the General Agreement on Tariffs and Trade shall promptly furnish to each contracting party to that Agreement a certified copy of this procès-verbal, a certified copy of each of the Protocols specified above as rectified by this procès-verbal, and a notification of each signature to this procès-verbal.
