NINTH PROTOCOL OF SUPPLEMENTARY CONCESSIONS

Finland - Federal Republic of Germany

Opening for Signature

Contracting parties were informed by Airgram on 2 July 1958 (GATT/AIR/134) that the Governments of Finland and of the Federal Republic of Germany wished to enter into tariff negotiations to be conducted in accordance with the procedures established by the CONTRACTING PARTIES at their Sixth Session (BISD, Vol.1, page 116). Copies of the lists of requests exchanged between the parties were distributed to all contracting parties.

A substantial interest in the negotiations was claimed by the Swedish Government with respect to plywood on which a concession was requested by Finland. As this product has not been the object of a concession and as no other claim of interest was made, the agreement can now be formalized.

The results of the negotiations are embodied in the Ninth Protocol of Supplementary Concessions, a copy of which is attached hereto. The Protocol will be signed at the Thirteenth Session by the representatives of the two parties and the annexed concessions will enter into force in accordance with the terms of paragraph 2 of the Protocol. Contracting parties will be informed when the two parties will have affixed their signatures and when they will have notified their intention to give effect to the concessions.

The Executive Secretary will transmit to each contracting party a certified true copy of this Protocol in due course.
NINTH PROTOCOL OF SUPPLEMENTARY CONCESSIONS

The governments which are contracting parties to the General Agreement on Tariffs and Trade (hereinafter referred to as the "contracting parties" and the "General Agreement" respectively), having agreed upon procedures for the conduct of tariff negotiations by two or more contracting parties under the General Agreement and for putting into effect under the General Agreement the results of such negotiations,

The Governments of the Republic of Finland and the Federal Republic of Germany, which are contracting parties to the General Agreement (hereinafter referred to as "negotiating contracting parties"), having carried out tariff negotiations under these procedures, and being desirous of so giving effect to the results of these negotiations,

3. A negotiating contracting party which has given the notification referred to in paragraph 2 shall be free at any time to withhold or to withdraw in whole or in part any concession provided for in the appropriate schedule annexed to this Protocol, in respect of which such contracting party determines that it was initially negotiated with the other negotiating contracting party which has not given such notification; Provided that

(a) the negotiating contracting party withholding in whole or in part any such concessions shall give notice to the CONTRACTING PARTIES within thirty days after the date of such withholding and, upon request, shall consult with any contracting party having a substantial interest in the product involved;

(b) the negotiating contracting party withdrawing in whole or in part any such concessions shall, before taking such action, give not less than thirty days' notice to the CONTRACTING PARTIES and, upon request, shall consult with any contracting party having a substantial interest in the product involved; and

(c) any concession so withheld or withdrawn shall be applied on and after the thirtieth day following the day upon which the notification referred to in paragraph 2 relating to a contracting party with which the concession was initially negotiated is received by the Executive Secretary.

4. In each case in which Article II of the General Agreement refers to the date of that Agreement, the applicable date in respect of the schedules annexed to this Protocol shall be the date of this Protocol.

5. (a) This Protocol shall be deposited with the Executive secretary and shall be open for signature at the Headquarters of the CONTRACTING PARTIES in Geneva until 31 December 1958.
(b) The Executive Secretary shall promptly furnish a certified copy of this Protocol, and a notification of each signature of this Protocol and of each notification referred to in paragraph 2, to each contracting party to the General Agreement.

6. The date of this Protocol shall be 22 November 1958. Its provisions will become effective in accordance with paragraphs 2 and 3 hereof.
