RELATIONS WITH YUGOSLAVIA

Report by the Working Party

Addendum

Draft Decision prepared by the Executive Secretary on the basis of the discussions in the Working Party

The CONTRACTING PARTIES

CONSIDERING that the Government of Yugoslavia has stated that it desires to enjoy the benefits and advantages of the General Agreement on Tariffs and Trade and with this in view to undertake as soon as possible the obligations under the General Agreement and to seek accession pursuant to Article XXXIII;

CONSIDERING that the Government of Yugoslavia, however, is not at present in a position to assume all the obligations involved in accession to the General Agreement;

NOTING the desire of the Government of Yugoslavia to develop its existing policies so as to enable it increasingly to assume the full obligations of the General Agreement and thus to create a basis for the consideration of an application for accession under Article XXXIII; and

DESIRING meanwhile to establish closer trading relations with Yugoslavia on a reciprocal and mutually advantageous basis:

DECIDE

A. To open the following Declaration for signature by Yugoslavia and by contracting parties to the General Agreement.

1 On previous similar occasions the CONTRACTING PARTIES have not specified in the Declaration that participation did not include voting rights, but at the time of taking the relevant decision they noted that in the normal course of business the fact that it was not possible, from a strictly legal point of view, to give full voting rights was not very important since the CONTRACTING PARTIES did not usually proceed to a formal vote in reaching decisions; generally the Chairman took the sense of the meeting and the country concerned would have the same opportunity as contracting parties to express its opinion. On this occasion the CONTRACTING PARTIES may wish to adopt a similar procedure.
