I have the honour to draw your attention to some errors which appear in the English text of the above-mentioned Agreement, a certified copy of which was transmitted with my letter GLI/271 of 27 July 1979. The errors which require rectification are the following:

1. **Page 6**

   Footnote 1b to Article 4:2

   The last three words of the footnote: "duty on tax" should be corrected to read: "duty or tax".

2. **Page 15**

   Article 11:1

   The last four words of the fourth line of paragraph 1 of Article 11: "other import policy objectives", should be corrected to read: "other important policy objectives".

3. **Page 29**

   Article 13:3

   The last two words of paragraph 3 of Article 13: "Part IV" should be corrected to read "Part VI".

4. **Page 29**

   Paragraph (d) of the Annex

   In the fourth line of paragraph (d) of the Annex the words: "... for use on the production of goods ...", should be corrected to read: "... for use in the production of goods ...

I have furthermore the honour to draw your attention to an error relating to the Spanish text.

The second sentence in paragraph 7 of Article 4 in the Spanish text (page 75) reads as follows:

"Cuando ello esté justificado, las autoridades del signatario importador examinarán la necesidad del mantenimiento de cualquier compromiso en materia de precios, ... etc."

The concordant texts in the English and French languages do not contain a reference to "prices" ("en materia de precios"). Consequently, the words "en materia de precios" should be deleted in the Spanish version of that paragraph.

As depositary of the Agreement I shall cause the above-mentioned corrections to be made to the authentic text unless any government notifies me of an objection thereto before 15 December 1979. In due course, the corrections will be certified by a Procès-Verbal of Rectification.

O. Long
Director-General
