I have the honour to draw your attention to a rectification that should be made to the English text of the above-mentioned Agreement, a certified copy of which was transmitted with my letter GLI/275 of 19 October 1979.

Article 5, paragraph 1

In the second sentence after the word "evidence" the words "of the existence" have been omitted and should therefore be reinserted, so that the sentence would begin as follows: "The request shall include sufficient evidence of the existence of (a) dumping; (b) ... etc."

As a depositary of the Agreement I shall cause the correction to be made to the authentic text unless any government notifies me of an objection thereto before 15 December 1979. In due course the correction will be certified by a Procès-Verbal of Rectification.
