AGREEMENT ON IMPLEMENTATION OF
ARTICLE VI OF THE
GENERAL AGREEMENT ON TARIFFS AND TRADE

PROCÈS-VERBAL OF RECTIFICATION

I, the undersigned, Olivier Long, Director-General to the CONTRACTING PARTIES to the General Agreement on Tariffs and Trade, having examined the authentic text of the Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade, done at Geneva on 12 April 1979, and having compared the English text of the said Agreement with the equally authentic texts in the French and Spanish languages, as well as with the documents which served as a basis for the drawing up of the text, have found that the English text of the Agreement contains an error which should be rectified.

The error which requires rectification is the following:

Article 5, paragraph 1

In the second sentence after the word "evidence" the words "of the existence" have been omitted and should therefore be reinserted, so that the sentence would begin as follows: "The request shall include sufficient evidence of the existence of (a) dumping; (b) . . . etc."

Acting as depositary of the said Agreement, having notified the contracting parties of my intention and having received no objection thereto, I have caused the above-mentioned correction to be made to the authentic text of the Agreement, and have initialled this correction in the margin of the text.

In witness whereof I have signed the present Procès-Verbal of Rectification, drawn up in the English, French and Spanish languages, on 17 December 1979.

Olivier Long
Director-General
